

Friends and Family,

It's a new year, a new venue, and with new surprises, but it's still the best party of the year: Best of the Bay Area 2009. Join **San Francisco magazine** and **The Golden Gate Restaurant Association** as we toast the best people, places, and things making the Bay Area the very best place to live, work, and play.

Enjoy endless entertainment for every obsession: eats, treats, drinks, and beats. Celebrate the best of the best with more than 40 restaurants including Waterbar, Fifth Floor, La Folie, and Kara's Cupcakes; free flowing bars with signature cocktails, Trumer Pils beer, and the Sonoma Valley Grapes & Wine lounge; and dancing to the hottest sounds in the city including DJL! and the Pleasuremaker Band. Best of all, the party benefits Family House.
