

# PG&E's Quick Start Guide for Restaurants

Pacific Gas and Electric Company (PG&E) is committed to providing cutting edge energy management solutions to Golden Gate Restaurant Association members. Let PG&E help you take the next step in your restaurant business.

Do you need new service? Are you considering an energy efficiency project for your facility? Use this checklist to get started:

## New Restaurants

### To Get New Service

New Service can take up to 6-8 months to complete, depending on project requirements, so start early.

1. Download Application	Get the New Service Application form at <a href="http://www.pge.com/tariffs/pdf/E62-0685.pdf">www.pge.com/tariffs/pdf/E62-0685.pdf</a> .
2. Assess Needs	Consult with your plumber and electrician about your gas and electric needs.
3. Complete Application	Fill out <b>Project and Contract Information</b> .
4. Collect Documentation	Gather any applicable attachments (A-L) for your application.
5. Submit Application	Submit the application to PG&E's Service Planning Department. To apply online, visit: <a href="http://www.pge.com/mybusiness/customerservice/otherrequests/newconstruction">www.pge.com/mybusiness/customerservice/otherrequests/newconstruction</a> To apply by phone, call 1-877-PGE-SRVC (743-7782). You may also mail your completed application form to: <b>PG&amp;E Application for Service</b> P.O. Box 24047 Fresno, CA 93706-2010
6. Review	A PG&E Service Representative will review your application and inform you of the amount of the Engineering Deposit you will be required to provide.

## Cutting Energy Costs in Existing Restaurants

### For Remodeling

1. Download Application	Visit <a href="http://www.pge.com/mybusiness/energysavingsrebates/rebatesincentives/inc">www.pge.com/mybusiness/energysavingsrebates/rebatesincentives/inc</a> to get the application form for PG&E's Customized New Construction Program, which can help your restaurant exceed Title 24 Standards and earn incentives.
2. Collect Documentation	Gather mechanical plans, electrical plans, and architectural designs.
